

December 10, 2021

Dear SEES Families,

With only one week left until our Winter Break, this upcoming week is sure to bring a great deal of excitement! We have 4 more days of our Canned Food Drive if you would like to make a donation. We are asking for the following items: canned soup, canned vegetables, canned fruit, apple sauce, pasta, rice, toiletries, healthy cereals, and oatmeal. Thank you so much to everyone who has already donated!

Yearbook prices will be going up in February! Make sure you order yours today for only \$20 with the following [link](#).

Please remember that next Friday is a very busy day. It is a minimum day for all elementary schools, and our schedule can be found [here](#). We will also be hosting Flag Salute on Friday morning, and we will cap it off with a PTO sponsored BMX assembly for all students. Since lunch will not be served at school on Friday, [Gelu Italian Ice](#) will be available for a tasty treat right after school! If your student attends an after school class with KOC or Fit Kids, you should be hearing directly from their program about their plan for classes on Friday.

Upcoming Events

- December 13 - 16: Canned Food Drive before school
- December 17: Holiday Dress Up, Minimum Day, Flag Salute, BMX Assembly, Gelu Italian Ice Truck
- December 20 - January 7: Winter Break

Warmly,
Emily and Mara
